To whom it may concern:

In June of 2006, the PVUSD board of trustees is said to have ratified a new contract for the assistant superintendents which as board president I subsequently signed.

I have some concerns with this scenario because the original bearing my signature has not been forthcoming, I have no recollection of signing or being authorized to sign and the copy I have seen contains an inexplicable gap in the text that other district contracts do not have.

This matter could so easily be resolved if PVUSD would simply produce the signed and dated original for me and other interested parties to view.

Sincerely,

A handwritten signature in cursive script that reads "Sharon Gray". The signature is written in black ink and is positioned above the printed name.
